RESPONSE TO RESTRICTION REQUIREMENT

Claims 1-82 are presented for examination in the present application.

The Examiner has required restriction among claims 1-82 as filed, claims 1-39 and 49-82 being designated Group I and claims 40-48 being designated Group II.

In response to such restriction requirement, applicants elect claim Group I, claims 1-39 and 49-82, for prosecution in the present application. This election is made without traverse, without inference of abandonment of the subject matter recited in the non-elected claims, and without prejudice to applicants' right to file one or more divisional or other continuing applications directed to the subject matter of the non-elected claims and entitled to the filing date of the present application.

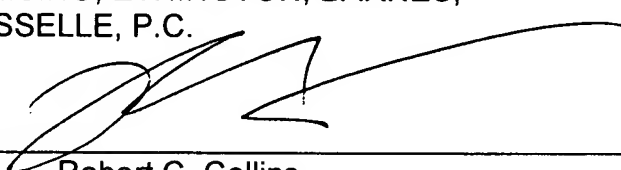

The non-elected claims remain in the application subject to appropriate action by the Examiner or cancellation by applicants upon allowance of elected claims.

Please charge any fees associated with this submission to Account No. 15-0875 (Owens-Illinois).

Respectfully submitted,

REISING, ETHINGTON, BARNES,
KISSELLE, P.C.
